This morning, however, a representative of the local Popercator party called upon THE LEDGER with the request that it state that Mr. Bryan would speak one hour and thirty minutes, as "they wanted a run for their money!"

# THE ELECTION.

An Unusually Large Vote  
Polled in Arkansas.

Licensing of Saloons the Principal  
Issue in Many Counties.

The Democrats Claim the Election of  
Col. Jones, Governor, by  
45,000 Plurality—Democrats and  
Populists Clash in Some Counties.

LITTLE ROCK, Ark., Sept. 8.—The election held for state and county officers, including two-thirds of the legislature, which will elect a successor to Senator James K. Jones, chairman of the democratic national committee.

As far as heard from, the election throughout the state passed off quietly, and an unusually large vote was polled. The question of the saloon, which is the principal issue in the majority of the counties. Here, in Little Rock, it was the issue of the day. The prohibitionists, or, rather, the advocates, were defeated by large majority.

At the democratic headquarters the election of Col. Daniel W. Jones, the democratic candidate for governor, is claimed by 45,000 plurality. Chairman Cooper, of the republican committee, disputes the claim, basing his estimates upon reports received late Monday evening. He says a large percentage of the increased vote was polled by Negroes. Of the 500,000 population, receipts in this state, 45,000 are held by Negroes, 15,000 more than were held by the Negroes in 1900.

Owing to the large number of counties beyond the reach of telegraph and telephone facilities, the returns from Monday's election are slow in reaching the headquarters. Semi-official returns received from 14 of the principal counties of the state give Jones (dem.) free ally candidate for governor, a plurality of 18,000.

The populists scratched Filer, their candidate for governor, and the almost solid vote for Jones as did many of the sound money democrats. The prohibition vote throughout the state shows a marked increase.

Several clashes occurred in the doubtful counties between the democrats and populists. Notably was the case at Clinton, Van Buren county, the place where congressman Bismore was assaulted last week. Clinton is 35 miles from the nearest telegraph station and it is impossible to learn full particulars, but it is thought here that no serious results come of the reported riot.

White county, the birthplace of the populists, has gone democratic, while Newton, Sevier and Madison have rolled up their usual republican majorities for legislative and county officers.

Final returns received from six counties give Daniel W. Jones majorities as follows: Miller (Texarkana) 500; Phillips (Heleena) 1,000; Woodruff, 1,000; Boone (Harrison) 1,000; Lincoln, 800; Lafayette, 500; Sharpe, 1,700. If these majorities are kept up throughout the state Jones and the native democratic ticket will receive 60,000 majority.

**TRAGEDY IN RICHMOND.**

James E. Wimmer Stabs to Death S. G. Thalhimer for the Betrayal of His Daughter.

RICHMOND, Va., Sept. 8.—A terrible tragedy was enacted early Monday night on Broad street, the principal retail business thoroughfare of the city. James E. Wimmer, aged 46, a native of Wythe county and a blacksmith working at the Richmond locomotive works, stabbed and killed his daughter's son, Charles Thalhimer, a well-known liquor merchant. The cause of the homicide was the alleged betrayal of Wimmer's partially blind daughter by young Thalhimer. Wimmer, who was hunting for Thalhimer, found him in the city and held him of him and after stabbing him in three places, threw him off. Thalhimer walked about a half block and then fell dead. Wimmer sought a policeman and surrendered himself.

**Hunting for Headquarters.**

CHICAGO, Sept. 8.—W. D. Rhynd, chairman of the national democratic committee, arrived in Chicago Monday night from Indianapolis and registered at the Palmer house. The special purpose of his visit is to select headquarters for the campaign committee which has the Palmer and Buckner ticket in charge. He said he had been detained in Indianapolis attending for the dual notification meeting to be held in Louisville next Saturday. Headquarters will be chosen in a way or two and the Palmer house will probably be the place.

**Boy Accidentally Shot by a Policeman.**

CHICAGO, Sept. 8.—James Linchark, a little boy five years old, was killed Monday afternoon in front of the Palmer house by a bullet fired by Officer John Maloney. Maloney had arrested a couple of toughs for disorderly conduct. Complaint of the prisoners attempted to liberate them and handled the officer roughly. It was during the fight that the shooting occurred, and the bullet intended for one of the rowdies went wild of his mark and killed the little fellow playing on the sidewalk many yards away.

**Chinese Minister Visits Mr. Vernon.**

WASHINGTON, Sept. 8.—The Chinese minister, Yang Yu, accompanied by several members of his legation, visited Mount Vernon Monday by special train and deposited on the tomb of Washington, the handsome wreath which Li Hung Chang was prevented by inclement weather on Saturday from placing there with his own hands.

**Declined to Make a Statement.**

NEW YORK, Sept. 8.—The officers of the steamer *Santa Rosa*, which arrived Monday, declined to make any statement concerning the arrest of one of the steamer's crewmen (Chinese) on Saturday, and authorities, beyond the fact that his passport was not correct.
